8. Seismic Retrofit Update

- Division Chief Robinson provided an update to the seismic work
 - 5 Station Structural
 - Station 116
 - This project has reached substantial completion
 - It is anticipated that the punch list will be completed by the end of the week
 - Station 110
 - Crews have temporarily relocated their sleeping quarters to accommodate the first phase of construction
 - Framing for the sleeping quarters has been completed
 - Installation of new electrical is underway
 - This project has a estimated completion date of June 3rd
 - Stations 107/109/115
 - The RFP for General Contractor services was posted on March 1 and closes March 22
 - 20 Station Non-Structural
 - Coleman Seismic has completed the non-structural upgrades on 19 stations
 - One punch list item remains for Station 116

9. Fire Chief Report

- Women FF Leadership Symposium
 - 13 UFA women Firefighters as well as 40 women Firefighters from across the country were in attendance
 - The keynote speaker was President Biden’s appointed Fire Administrator Dr. Lori Moore-Merrell
 - Sponsorship covered all costs to host and allowed for UFA personnel to attend
 - Non-UFA personnel were charged \$150.00 to attend
 - Chief Petersen stated that from this 2-day event, not only was the outcome a stronger sense of belonging from the UFA women, but they are now better prepared to compete for leadership opportunities within UFA
 - Council Member Hull attended as an observer and stated that she would like to see it continue as it was uplifting and exciting
- Legislative Wrap-Up
 - UFA Lobbyists Ashly and Dave Spatafore gave an overview of the events from this year’s legislative session
 - Overall, it was a good positive session
 - A listing of bills was provided in the Board Packet

- Ashley Spatafore gave an update on the biggest win for UFA and 8 bomb squads throughout the state
 - Division Chief Ball spearheaded this effort
 - \$3.4 M was 100% funded for the purchase of robots, squad's suits and a host of other items
 - Also resulting from this was the education of the legislature, as they did not realized that the state bomb squads were locally funded
 - The ask for funding excluded the salaries and day-to-day costs, it was just for equipment
 - Work will continue toward manual appropriations in the coming years, so that the equipment can stay updated
- HB16 Emergency Response Team
 - Streamlining the reimbursement for agencies who respond allowing for the state to pay 80% of costs prior to when the other states reimburse
- SB102 Enforcement on Hand-Held Devices and Distracted Driving
 - Making progress on making it easier for law enforcement to enforce distracted driving
- Dave Spatafore expressed his gratitude for working with Chief Petersen these past number of years and thanked him for the opportunity
- Mayor Silvestrini inquired as to any pending issues that UFA should keep an eye on during the interim session
 - HB23 requires every agency to have a plan for mental health services for not only employees, but their families and potentially retirees as well
 - Rules for implementation have yet to be developed
 - SB228 addresses the benefit for responders to have access to more information prior to arrival on scene
 - How best to provide additional information to the CAD system and dispatchers while not violating HIPAA, but allow responders to be better prepared when arriving on scene
 - HB145 Wildfire Amendment
 - Addresses funding for County Fire Wardens, but requires the State Division of Fire and Forestry to come up with an implementation plan for prevention and preparedness
 - Wanted to make sure local Fire Chiefs are involved in the study of this process which will continue for the coming years
 - SB190 Cannabis Bill
 - There are a few references in the bill to public safety stating that law enforcement can't use medical cannabis
 - This will allow any other first responder to use medical cannabis, but not on shift or 12-hours prior to shift
 - This issue is settled for this year, but as federal regulations change, this will be addressed in the coming years
 - None of the retirement bills passed this year, however, efforts will continue on retirement issues
- Chief Petersen stated that Ashley, Dave and the UFA are not reactive, efforts to be engaged to help our community do better and to continue providing service better because of the work that has been done through legislation
 - The work being done to ensure that legislators hear what is important to UFA and the work to advocate on behalf of the communities we serve could not be possible without the help of both Dave and Ashley

10. Closed Session

11. Consider Resolution 03-2022B to Extend Employment Offer for the Position of Fire Chief Pending Negotiation and Execution of Employment Agreement

- Mayor Dahle reviewed the process and work the Fire Chief Ad Hoc Committee has done
- The Board was fortunate to have 3 exceptional internal candidates from which to choose from, but this also made for a difficult decision
- The Ad Hoc Committee consisted of Fire Chief Bob Baker from South Metro Fire in Colorado, CLO Roberts, Chief Petersen, Mayor Silvestrini, HR Director Day, Mayor Overson, UFSA District Administrator Anderson, Mayor Dahle, Council Member Hull, Council Member Stewart, and UFA Labor President Quinn
- Mayor Dahle explained that this was a thorough and thoughtful process and commended the Ad Hoc Committee for their work
- Mayor Silvestrini wanted to convey to the Department and Command Staff how much the Board appreciated the input provided on the 360's
 - The help is appreciated in making the best decision for the Department and recognizing the abundance of riches that made this decision difficult and also acknowledged how refreshing and encouraging the future is with the apparent talent within
- Mayor Knopp thanked Chief Petersen for grooming a successor and stated that he is comfortable with any of the 3 candidates

- Council Member Stewart stated that it is not just a few individuals, but a department that overcame challenges and continues to serve the communities and thanked everyone knowing that the communities are being well taken care of thanks to Chief Petersen

Council Member Stewart moved to adopt Resolution 03-2022B to extend an offer of employment for the position of Fire Chief to Dominic Burchett and authorize the Board Chair, with the assistance and approval of the Chief Legal Officer, to negotiate and execute an employment agreement substantially similar to the draft attached to the Resolution
Mayor Silvestrini seconded the motion

Roll call vote taken

Kanter	Y	Westmoreland	Y
Knopp	Y		

- Mayor Dahle echoed the work done at UFA by Chief Petersen and on behalf of the UFA Board of Directors, wishes to thank Chief Petersen for all that he has done for the organization

12. Consider Resolution 03-2022C to Amend the Employment Agreement of the Chief Legal Officer

- The Fire Chief agreement was changed to provide a COLA at the same time as when the UFA personnel receives this adjustment going forward
- This resolution proposes the same for the CLO going forward as well

Mayor Silvestrini feels that this is appropriate and moved to adopt Resolution 03-2022C to amend the employment agreement of the Chief Legal Officer

Council Member Hull seconded the motion

UNIFIED FIRE AUTHORITY

TO: Finance Committee Members
FROM: Dominic Burchett, Fire Chief/CEO
SUBJECT: Fiscal Year 22/23 Budget Message
DATE: April 15, 2022

I am pleased to present the Fiscal Year 2022/2023 proposed budget for Unified Fire Authority (UFA). This budget has been prepared in accordance with the Uniform Fiscal Procedures Act for Cities (UCA 10-6) as approved by Interlocal Agreement, and is intended to serve as a financial plan, policy document, communication device, and operations guide. This document tells the story of how the UFA is using the public's money to save lives, protect property, and strengthen community relationships. The following proposed budget is structurally balanced for each fund, with projected fund balances at or above the minimum reserve required by state law and UFA policy.

Budget Development

This budget continues to focus on providing quality service, value, and full engagement in the communities we serve. We are your local Fire Department. To provide this value, all divisions have scrutinized their budget to provide essential services to the community. This budget is proposing an overall Member Fee increase of 7.49% to meet the adopted goals and initiatives of the Strategic Plan and the recommendations from the Benefits & Compensation Committee.

This has been an unprecedented year with record increases to CPI across the country and specifically in the Mountain Region where the March 2021 to March 2022 CPI was 10.4%. Because of this, the goals during budget preparation were to keep staff in market, address inflationary costs, as well as only a few critical requests. Many of the budget proposals for this year were paused to maintain focus on these items.

On March 30, 2022, the Benefits & Compensation Committee received and accepted staff's recommendation to include a 7% COLA, based on the record increase in CPI. This COLA will be provided to all employees with 5% applied on July 1, 2022, and 2% applied on January 1, 2023. This increase will be considered part of the employee base wage for comparison in the market.

Sworn employees held their position in the market very well in FY21/22. Overall, the market adjustments averaged 1.53% for all ranks to keep all sworn positions in the "Top Three" of market. The impact to the budget is a .49% member fee increase or \$286,995.

Ambulance revenue is projected to come in approximately fifteen percent higher than anticipated. This is largely due to increased transports, but also changes to the billing rates set by the State of Utah Bureau of EMS. Anticipated additional revenue is \$1.24M.

UFA enjoyed a reduction in health insurance costs by two percent, providing a savings of \$106,012. Employees will also see a two percent reduction in their 20% contribution to their health plan. UFA also will see a reduction in retirement costs (Tier 1 Firefighter plan decrease 1%). The total saving of the URS reduction is \$245,000.

Proposed Budget for FY22/23

The chart below shows an overall snapshot of the General Fund.

A portion of the anticipated under expend each year is returned to the members as a discount to the Member Fee. This tool allows divisions to reinforce the importance of managing budget line items appropriately; staff purchases what was approved and leaves the remaining amount to grow fund balance. Approximately \$2.5 million is returned as a Member Fee Credit each year.

The surplus fund balance will be used to bring the ending fund balance back to 8.5% and the remainder totaling \$1,030,850 will be transferred to the Capital Fund.

AVAILABLE REVENUE

Key Budget Impacts for FY22/23:

Staff has identified several key items that impact this year's budget. This table represents a majority of the adjustments to the proposed FY22/23 budget.

DESCRIPTION	DEMAND ON MEMBER FEE	% INCREASE (DECREASE)
URS Savings: Reduction in Tier 1 FF of 1% and 0.5% in Tier 1 & 2 CIV. Tier 2 increase is covered by the 6% contribution.	(\$245,000)	-0.42%
Increased Ambulance Revenue: Anticipated increase in collections with BEMS increasing the billing rate (Less the increased cost for billing and Medicaid assessments)	(\$1,244,383)	-2.12%
Health Insurance Savings: 2% decrease with 80% paid by UFA and 20% paid by the employee	(\$106,012)	-0.18%
7% COLA for all employees: CPI for the Mountain Region in 2021 was 9.0%. Maintaining our position in market for future years to prevent major swings in market adjustments.	\$3,711,192	6.33%
Delay 2% of CPI increase to Jan 2023: Offset the wage increase impact to the budget by moving this to January.	(\$524,869)	-0.89%
FT Ambulance in Eagle Mountain: Realization of \$191,633 in savings with the elimination of the peak demand ambulance and increased by \$240,876 for the full year cost for new full-time firefighter/medic employees.	\$49,243	0.08%
12 Additional FF FTE's: Additional Firefighters to reduce the overtime demand. Total cost of employees is offset by the reduction of overtime	\$240,000	0.41%
Additional Peak Load Ambulances: This converts one 12-hour peak load ambulance to 24 hours and add a peak load ambulance during the ski season	\$236,076	0.40%
Carryover VEBA costs from 2021/22: The cost the full year of a 2% VEBA contribution	\$380,250	0.65%
Market Adjustments for Sworn and Civilian: This includes a sworn market adjustment of \$286,995, a market adjustment for civilian of \$53,252 and a Paramedic overmarket adjustment to 3% overmarket at \$270,780	\$611,027	1.04%
Additional Mechanic: The additional mechanic will help stay ahead of preventative maintenance and begin to rely less on vendor repairs.	\$94,508	0.16%
Capital Fund Transfer: Increase in the transfer to the Capital Fund to accommodate the third loan for purchases.	\$300,000	0.51%

FY22/23 Capital Replacement Fund

The Capital Replacement Plan identifies all apparatus and equipment, its current cost, estimated life span, and the anticipated date of replacement over the next 10 – 15 years. Most of the purchases in the plan are accomplished through rotating leases, some capital purchases are required to use the cash available in the fund since their life span is less than the lease period. In FY22/23, staff is looking at adding a six-year lease to capture items in the plan that do not have a life span matching other lease terms. This will help spread the costs over a number of years and reduce the reliance on cash.

Beginning in FY21/22, the lease payments were transferred to the Capital Replacement Fund and funded by a transfer from the General Fund. For FY22/23, UFA is proposing to increase the transfer to the Capital Fund to help with lease payments and keep the fund sustainable.

Additional contributions come from the sale of surplus equipment, revenue from billing for apparatus during EMAC deployments, and annual transfers of the General Fund ending fund balance when it exceeds the normal under expend and the dedicated 8.5% fund balance.

REVENUE	
Beginning Fund Balance	\$3,060,000
Contribution from General Fund	\$3,971,303
Sale of surplus apparatus/Interest Income	\$85,000
Transfer of excess General Fund balance	\$1,030,850
Total	\$8,147,153
EXPENSE	
FY18/19 lease payment	\$812,495
FY21/22 lease payment	\$1,583,544
FY22/23 lease payments (split into two lease terms)	\$1,543,196
Delayed purchase from FY21/22 (CPR devices)	\$500,000
Cash Purchases	\$1,943,100
Total	\$6,382,335
Ending Fund Balance	\$1,764,819

Major purchases in the Capital Fund this year include heavy and light fleet replacement. These include four Engines, three Type VI Engines, five Ambulances, additional Mechanic Truck, Wildland Duty Officer truck, and thirteen Staff Vehicles.

In addition, this budget will provide \$2 million for needed improvements to the Fire Training facility, it will allow for replacement of portable handheld radios and two SCBA compressors, as well as allow for upgrades to the IT infrastructure (firewall and WiFi). Finally, it will allow staff to replace our outdated Fire Safety Trailer which is used for public education.

FY22/23 Member Fee

With the proposed 7.49% overall increase to the Member Fee, the following chart displays the breakdown for each member.

FY22/23	COTTONWOOD HEIGHTS	HOLLADAY	HERRIMAN	RVERTON	UFSA	TOTAL
Number of stations with "first due"	3.00	4.00	3.00	4.00	21.00	
Proportional # of stations	1.71	1.01	1.82	2.11	17.35	24.00
Percent of total member fee	6.84%	4.36%	7.90%	9.15%	71.75%	100.00%
Member Fee for FY22/23	\$4,312,765	\$2,748,399	\$4,982,648	\$5,769,670	\$45,253,877	\$63,067,359
Percent Increase from FY21/22	7.33%	4.86%	9.77%	6.22%	7.59%	7.49%
Cost Increase from FY21/22	\$294,660	\$127,435	\$443,567	\$338,048	\$3,190,881	\$4,394,591
Difference from 7.49%	(\$6,296)	(\$68,875)	\$103,590	(\$68,781)	\$40,363	\$0

The fee for each member is dependent on the number of stations and the staffing level of the heavy apparatus assigned to those stations (three or four person). When first due areas overlap between members, the percentage of emergency incidents within the member's portion of the first due area, over a three-year period, determines the percentage of that member's use of the heavy apparatus assigned to that station. Ambulances are a regional asset with the cost shared equally among all members.

Holladay and Cottonwood Heights saw a slight shifting of the proportional call volume from these municipalities to the UFSA. This resulted in a slight decrease for these two municipalities and a slight increase for the UFSA.

Herriman's growth and corresponding increase in emergency incidents in Station 103 and 123's first due area is the primary driver for the shifting of cost from Riverton and UFSA to Herriman for the Member Fee. For the three stations serving Herriman, the proportional use for Herriman was 1.68 stations in 2017 compared to 1.82 in 2021.

The total call volume remains within the capability of the crews assigned, however, between 2017 and 2021, Herriman's call volume for Station 123 increased by 80.5% and by 89.9% for Station 103. During that same period, Riverton saw a 5.7% increase in call volume for Station 123 and UFSA experienced a 12.8% decrease in call volume for Station 103. The three-year smoothing will transition more of the cost for these two stations to Herriman over time.

Public Budget Meetings

- **Benefits and Compensation: February 14, 2022, and March 30, 2022**
 - Staff presented Health Insurance information and proposed wage increases, including the introduction of COLA increases and market adjustments.
 - The Benefits and Compensation Committee in the March meeting recommended a 7% COLA increase and recommended the proposed changes to the sworn and civilian market adjustments.
- **Finance Committee: April 15, 2022, and May 6, 2022**
 - Chief Burchett will present the Budget Message and CFO Hill will provide an overview of the budget to Finance Committee Members at the April Meeting
 - Staff will walk the Finance Committee through each portion of the proposed budget at the May meeting, providing opportunity for discussion.
- **Board of Directors: May 17, 2022 @ 0730 hrs.**
 - The Finance Committee and Chief Burchett will present the tentative budget to the Board of Directors for their approval.
- **Board of Directors: June 21, 2022 @ 0730 hrs.**
 - Chief Burchett will propose any amendments to the tentative budget for Board consideration.
 - A Public Hearing will be held, and the Board of Directors will vote to adopt the Final Budget with the proposed amendments (if any).

Closing

This budget has been prepared to provide a long-term sustainable service delivery plan. This budget ensures operational needs are met as UFA continues to effectively provide emergency response and life safety services, while remaining receptive to our patrons and the current economy.

I encourage you to review this budget to learn more about your fire and rescue services. The leadership team has taken ownership of their portion of the budget and would be pleased to discuss their goals and priorities with you at any time. UFA takes pride in providing you with essential services that focus on changing lives for the better in the communities we serve.

Respectfully,

UNIFIED FIRE AUTHORITY

MEMORANDUM

TO: UFA Board of Directors
FROM: HR Director Day
DATE: April 19, 2022

SUBJECT: Juneteenth

Request

Consideration to add Juneteenth as a recognized holiday under UFA policies. As you may be aware, President Biden signed a bill on June 17, 2021, making Juneteenth (June 19) a Federal Holiday.

Background

Currently, it is the policy of the Board that UFA provides full-time day staff employees with paid time off for the eleven observed holidays, as well as one personal preference day.

After much discussion with surrounding fire agencies, we found most will recognize the holiday. Currently, Operation Staff is receiving 144 hours of holiday leave which is 9.6 more hours than our full-time day staff employees. Therefore, the recommendation would be to add this eight (8) hour holiday for only our full-time day staff employees.

Adding Juneteenth for full-time day staff employees will bring them in line with Operations and keep us competitive with surrounding jurisdictions. If this holiday were added for all full-time day staff employees, UFA would observe twelve paid holidays and one personal preference day each year. There will be a minimal cost associated with the additional holiday.

UNIFIED FIRE AUTHORITY

MEMORANDUM

TO: UFA Board Members
FROM: Fire Chief Dominic Burchett and CFO Tony Hill
DATE: April 19, 2022
SUBJECT: COVID-19 Expenditure Reimbursements

At the April 2021 UFA Board meeting, the Board passed a motion asking staff to request that members distribute funding from the American Rescue Plan to UFA for expenditures directly related to the COVID-19 pandemic. UFA sent invoices to municipalities at the end of April 2021 seeking payment to recover fund balance spent on COVID-19, particularly to replenish the Capital Replacement Plan given our stated goal of keeping it sustainable.

Some member entities processed the payment. However, a few municipalities indicated they would not be able to pay the invoice using such funds. At the August 2021 UFA Board meeting, the Board discussed the potential imbalance that would occur if only a few municipalities make their payments, i.e. those who contribute would be paying a larger share than those who did not. The Board directed staff to include the idea of increasing the member fee or implementing a special assessment during the FY22/23 budget process to account for the unpaid balances.

To date, nine of the sixteen UFA member entities have paid their reimbursement and two have committed to pay before the end of the fiscal year. The total for the 11 jurisdictions is \$588,070 of the \$930,147 invoiced. The chart below shows the outstanding amount by each UFA member:

Cottonwood Heights City	\$0
Herriman City	\$104,938
Holladay City	\$0
Riverton City	\$95,369
UFA	\$141,770
	\$342,077

We are asking for additional Board direction on how to move forward.

UNIFIED FIRE AUTHORITY

MEMORANDUM

TO: UFA Board of Directors
FROM: Operations Chief Dern
DATE: April 19, 2022

SUBJECT: Ambulance Response Coverage

Intent

Provide an overview of the current regional ambulance response coverage and potential performance improvements and receive direction on the possibility of using the UFSA house for ambulance placement.

Background

Unified Fire Authority continually evaluates resource placement, utilization, and response to provide coverage for emergent and non-emergent incidents. We use several different programs and data sets to aid in these decisions. Two primary data sets used are the Mutual Aid Report and Darkhorse deployment software.

In fall of 2020, Salt Lake Valley fire agencies began using Versaterm for computer aided dispatch through Valley Emergency Communications Center (VECC). In May of 2021, all VECC fire agencies and Sandy City Fire Department began sending the closest units (dropped border/AVL) on the most critical incidents regardless of jurisdiction. We now have a year of data and have identified three areas to better locate or staff units that will provide better coverage and service.

Discussion

Two areas identified are being proposed as part of the budget process for FY22/23. A third area can be managed by relocating the ambulance from Station 106 to the house purchased in Millcreek on 2700 East. It is anticipated that this move will provide an increase on first due performance for Millcreek and Holladay, specifically Stations 104, 106, and 112 response areas.

This relocation would need to be coordinated with improvements to the 2700 East house. It is staff's recommendation to discuss the possibility of using the house owned by UFSA for an improved ambulance response.

UNIFIED FIRE AUTHORITY

MEMORANDUM

TO: UFA Board of Directors
FROM: Division Chief Widdison
DATE: April 19, 2022

SUBJECT: Joint Facility Partnership with Bureau of Land Management - Utah

Intent

Receive a favorable recommendation from UFA Board of Directors to participate in discussions with Bureau of Land Management-Utah (BLM-Utah) regarding a joint fire facility project for the BLM Bonneville Interagency Hotshot Crew (IHC) and UFA Wildland Division resources.

Discussion

Recently, UFA was approached by BLM-Utah to initiate discussions related to a joint fire facility project for the Bonneville IHC and UFA Wildland Division resources. BLM-Utah has \$9 million of Congressional approved funds that will be available for the project. For FY23/24, \$1 million will be available for project site planning and preparation, the remaining \$8 million will be available FY25/26 for facility construction.

BLM-Utah is motivated to identify a project site within the Salt Lake Valley that will facilitate fire operations and provide an environment that will help with recruitment and retention of employees. BLM-Utah has proposed the concept of UFA providing land, and in exchange, they would build a facility in a manner that would accommodate BLM Bonneville IHC and UFA Wildland resources. The facility could be designed to utilize shared space, such as training rooms, exercise area, and break room, with separate offices space, cache storage and apparatus bay space.

The UFA Fire Training facility in Magna appears to be a viable option for location discussions. Representatives from BLM-Utah and UFA recently met at the Fire Training site to assess the possibility of utilizing this space for the project. BLM-Utah representatives found the site to be a favorable option and would like to move the discussions forward.
