- 5 competitive bids were received
- The UFA Finance Committee has reviewed the bids and are prepared to move forward with the lease

 - CFO Hill explained that this is not a traditional lease, once final payment has been made, UFA has full ownership of all assets
 - This is a combination of a lease/purchase, wherein the equipment is collateral

8. UFA Application of ARPA Funds

- Chief Petersen stated that some municipalities are concerned about the grant requirements for these funds to be paid now, others believe it fits well within the parameters of the funds and have already paid
- Chief is concerned about the payments being the concern is the evenness of contributions between municipalities
- Chief Petersen proposes increasing the Member Fee or implement a special assessment to replenish the Capital Fund in next fiscal year, using the budget process to determine the best way
- Members who have shared their ARPA funds now will be credited that portion toward the assessment

- The remaining impact from COVID is estimated at \$930,000
 - Fund Balance was utilized to cover the overall \$1.66M impact
 - First round of CARES Funding reimbursed UFA for \$730,000 of this, resulting in the remaining \$930,000
- Mayor Sondak asked what census data would be used when considering the assessment
 - Chief Petersen feels that in fairness, the same data used for invoicing would be used to determine the assessment, therefore, it has been broken up by population
- Chief Petersen clarified that the total \$930,000 has been invoiced and those municipalities who have provided ARPA funds will be credited toward their portion
 - If a municipality has paid their complete balance, they will not be invoiced further
- The municipality has the choice to utilize their ARPA Funds or be assessed an annual appropriation
 - This allows for municipalities to make the best decision for them
- The Board expressed their support for this proposal

9. Fire Chief Report

- Canyon Structural Inc. Donation – Apartment Fire Prevention
 - This \$1,800 donation was made by the company involved in construction of the building involved in the Millcreek apartment fire
 - Chief Petersen will be applying this donation toward the apartment fire prevention program
 - Fire Marshal Larson will be in contact with them to both thank them and show how UFA is utilizing their donation to make a difference
 - Chief Petersen stated that periodically, the Board will see him present donations and how they are applied to programs the donors are interested in focusing their funds toward
 - These donations are captured during the budget process
- EMAC Overview – AC Pilgrim
 - AC Pilgrim now represents the Utah State Fire Chief's for EMAC deployments
 - This will help with navigating the deployments and addressing billing concerns
 - The state has participated in 5 deployments, UFA has only participated in 2 thus far
 - Prior to deploying, an assessment is conducted each time to ensure UFA is maintaining the commitment locally
- COVID Update/Delta Variant Response – OC Dern
 - An updated mask guidance was distributed for UFA on August 4
 - Masks are now required on all medical calls and while crews are in public
 - Unvaccinated members must wear masks while at work unless in their personal space or eating/drinking
 - UFA has reached out to non-vaccinated members directly
 - Recently there was an exposure to a crew during a station visit, all were wearing masks and there were no positives
 - UFA will continually assess the guidelines going forward to best protect the public and members
 - Full vaccination for UFA has moved from 83% to 85%
- Uniform Municipality Patch – DC Robinson
 - DC Robinson reviewed the memo associated with the patch project
 - This project evolved from the Strategic Plan and the desire for a local fire department feel

UNIFIED FIRE AUTHORITY
Resolution No. 09-2021A of 2021
(Approval and Authorization to Enter Conduit Financing Structure and Sublease for
Lease/Purchase Agreement)

A RESOLUTION APPROVING EXECUTION OF AGREEMENT WITH THE UNIFIED FIRE
SERVICE AREA FOR CONDUIT FINANCING

Unified Fire Authority has determined that leasing personal property, such as apparatuses, light fleet, equipment, and building improvements, pursuant to a lease/purchase agreement, is for a valid public purpose and is essential to the operations of the UFA.

The UFA Board, at its August 2021 Board Meeting, approved the execution and terms of a Lease/Purchase Agreement with Banc of America Public Capital Corp (“Lessor”), for the lease purchase financing of \$10,808,525.00 in principal amount to fund the lease/purchase of such items.

During the administration’s due diligence in closing this transaction, administration determined that a conduit financing arrangement, with the Unified Fire Service Area (“UFSA”) serving as the primary lessee from Lessor, was beneficial to UFA and would expedite the ability to close the transaction with the approved terms. Under this structure, the terms of UFA’s payment of the lease purchase installments to Lessor (including interest rate and annual rental payments) would remain the same with the funds nominally flowing through UFSA as a conduit. UFA would sublease the assets from UFSA during the term of the payment obligation and the title to the assets would then be finally transferred to UFA at the end of the sublease term in the same manner as if UFA had been the primary lessee.

NOW, THEREFORE, be it resolved by the Board of Directors of the Unified Fire Authority:

SECTION 1. APPROVAL OF CONDUIT FINANCING. The Board approves the conduit financing structure allowing UFSA to be the lessee from Lessor, with UFA making the rental payments through UFSA as a conduit under the same terms and conditions of the lease/purchase

agreement the UFA Board approved in August, 2021. Such approval is conditional upon the UFSA's Board approving the same terms and form of financing.

SECTION 2. AUTHORIZATION TO ENTER SUBLEASE AGREEMENT AND ESCROW AND ACCOUNT CONTROL AGREEMENT. The Fire Chief of UFA, in consultation with the Chief Financial Officer and Chief Legal Officer, is hereby authorized and directed to negotiate, execute, and deliver (i) a sublease agreement, substantially in the form attached, with UFSA to facilitate the conduit financing structure, the use of the assets during the term of the sublease obligation, and the final transfer of title to assets to UFA once full payment has been made consistent with the draft agreement attached as Exhibit "A. and (ii) an Escrow and Account Control Agreement (the "Escrow Agreement") substantially in the form as attached as Exhibit "B." The Fire Chief, Chief Financial Officer, Assistant Finance Director and Assistant Chief shall all be authorized to sign disbursement requests under the Escrow Agreement.

SECTION 3. OTHER ACTIONS AUTHORIZED. The officers and employees of UFA shall take all action necessary or reasonably required by the parties to the various documents to carry out, give effect to and consummate the transactions contemplated thereby (including the execution and delivery of final acceptance certificates, sublease agreements, escrow agreements, disbursement requests and any tax certificate and agreement, as contemplated in the transaction documents) and to take all action necessary in conformity therewith, including, without limitation, the execution and delivery of any closing and other documents required to be delivered in connection with the transaction documents.

SECTION 4. EFFECTIVE DATE. This Resolution shall take effect upon approval.

Passed by the Board of the Unified Fire Authority, this 21st day of September, 2021.

EXHIBIT I

[Form of] Escrow and Account Control Agreement

This Escrow and Account Control Agreement (this “Agreement”), dated as of _____, by and among Banc of America Public Capital Corp, a Kansas corporation (together with its successors and assigns, hereinafter referred to as “Lessor”), Unified Fire Authority, a [city] [county] [special district] [body corporate and politic] existing under the laws of the State of Utah (hereinafter referred to as “Sublessee”) and Bank of America, National Association, a national banking association organized under the laws of the United States of America (hereinafter referred to as “Escrow Agent”).

Reference is made to that certain Schedule of Property No. ___ dated as of _____ to Master Equipment Lease/Purchase Agreement dated as of October 5, 2021 (hereinafter referred to as the “Lease”), between Lessor and Unified Fire Service Area Authority (the “Lessee”), covering the acquisition and lease of certain Equipment described therein (the “Equipment”). The Equipment under the Lease is being subleased to the Sublessee, as sublessee, by the Lessee, as sublessor, pursuant to a Sublease Agreement, dated October 5, 2021 (the “Sublease”). It is a requirement of the Lease that the Acquisition Amount (\$_____) be deposited into a segregated escrow account under terms satisfactory to Lessor, for the purpose of fully funding the Lease, and providing a mechanism for the application of such amounts to the purchase of and payment for the Equipment.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Creation of Escrow Account.

(a) There is hereby created an escrow fund to be known as the “Unified Fire Authority Escrow Account” (the “Escrow Account”) to be held by the Escrow Agent for the purposes stated herein, for the benefit of Lessor and Sublessee, to be held, disbursed and returned in accordance with the terms hereof.

(b) Sublessee may, from time to time, provide written instructions for Escrow Agent to use any available cash in the Escrow Account to purchase any money market fund or liquid deposit investment vehicle that Escrow Agent from time to time makes available to the parties hereto. Such written instructions shall be provided via delivery to Escrow Agent of a signed and completed Escrow Account Investment Selection Form (such form available from Escrow Agent upon request). All funds invested by Escrow Agent at the direction of Sublessee in such short-term investments (as more particularly described in Escrow Agent's Escrow Account Investment Selection Form) shall be deemed to be part of the Escrow Account and subject to all the terms and conditions of this Agreement. If any cash is received for the Escrow Account after the cut-off time for the designated short-term investment vehicle, the Escrow Agent shall hold such cash uninvested until the next Business Day. In the absence of written instructions from Sublessee (on Escrow Agent's Escrow Account Investment Selection Form) designating a short-term investment of cash in the Escrow Account, cash in the Escrow Account shall remain

uninvested and it shall not be collateralized. Escrow Agent shall have no obligation to pay interest on cash in respect of any period during which it remains uninvested. Sublessee shall be solely responsible for ascertaining that all proposed investments and reinvestments are Qualified Investments and that they comply with federal, state and local laws, regulations and ordinances governing investment of such funds and for providing appropriate notice to the Escrow Agent for the reinvestment of any maturing investment. Accordingly, neither the Escrow Agent nor Lessor shall be responsible for any liability, cost, expense, loss or claim of any kind, directly or indirectly arising out of or related to the investment or reinvestment of all or any portion of the moneys on deposit in the Escrow Account, and Sublessee agrees to and does hereby release the Escrow Agent and Lessor from any such liability, cost, expenses, loss or claim. Interest on the Escrow Account shall become part of the Escrow Account, and gains and losses on the investment of the moneys on deposit in the Escrow Account shall be borne by the Sublessee. The Escrow Agent shall have no discretion whatsoever with respect to the management, disposition or investment of the Escrow Account. The Escrow Agent shall not be responsible for any market decline in the value of the Escrow Account and has no obligation to notify Lessor and Sublessee of any such decline or take any action with respect to the Escrow Account, except upon specific written instructions stated herein. For purposes of this Agreement, "Qualified Investments" means any investments which meet the requirements of [*state law citation*].

(c) Unless the Escrow Account is earlier terminated in accordance with the provisions of paragraph (d) below, amounts in the Escrow Account shall be disbursed by the Escrow Agent in payment of amounts described in Section 2 hereof upon receipt of written instruction(s) from Lessor, as is more fully described in Section 2 hereof. If the amounts in the Escrow Account are insufficient to pay such amounts, Sublessee shall provide any balance of the funds needed to complete the acquisition of the Equipment. Any moneys remaining in the Escrow Account on or after the earlier of (i) the expiration of the Acquisition Period or (ii) the date on which Sublessee executes an Acceptance Certificate shall be applied as provided in Section 4 hereof.

(d) The Escrow Account shall be terminated at the earliest of (i) the final distribution of amounts in the Escrow Account, (ii) the date on which Sublessee executes a Final Acceptance Certificate or (iii) written notice given by Lessor of the occurrence of an Event of Default under the Lease or termination of the Lease due to an Event of Non-appropriation. Notwithstanding the foregoing, this Agreement shall not terminate nor shall the Escrow Account be closed until all funds deposited hereunder have been disbursed.

(e) The Escrow Agent may act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine and may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument. The Escrow Agent shall not be liable in any manner for the sufficiency or correctness as to form, manner of execution, or validity of any instrument nor as to the identity, authority, or right of any person executing the same; and its duties hereunder shall be limited to the receipt of such moneys, instruments or other documents received by it as the Escrow Agent, and for the disposition of the same in accordance herewith. Notwithstanding and without limiting the generality of the foregoing, concurrent with the execution of this Agreement, Sublessee and Lessor, respectively, shall deliver to the Escrow Agent an authorized signers form in the form of Exhibit A-1 (Sublessee) and Exhibit A-2 (Lessor) attached hereto. Notwithstanding the foregoing sentence,

the Escrow Agent is authorized to comply with and rely upon any notices, instructions or other communications believed by it to have been sent or given by the parties or by a person or persons authorized by the parties. The Escrow Agent specifically allows for receiving direction by written or electronic transmission from an authorized representative with the following caveat, Sublessee and Lessor agree to indemnify and hold harmless the Escrow Agent against any and all claims, losses, damages, liabilities, judgments, costs and expenses (including reasonable attorneys' fees) (collectively, "Losses") incurred or sustained by the Escrow Agent as a result of or in connection with the Escrow Agent's reliance upon and compliance with instructions or directions given by written or electronic transmission given by each, respectively, provided, however, that such Losses have not arisen from the gross negligence or willful misconduct of the Escrow Agent, it being understood that forbearance on the part of the Escrow Agent to verify or confirm that the person giving the instructions or directions, is, in fact, an authorized person shall not be deemed to constitute gross negligence or willful misconduct.

In the event conflicting instructions as to the disposition of all or any portion of the Escrow Account are at any time given by Lessor and Sublessee, the Escrow Agent shall abide by the instructions or entitlement orders given by Lessor without consent of the Sublessee.

(f) Unless the Escrow Agent is guilty of gross negligence or willful misconduct with regard to its duties hereunder, Sublessee agrees to and does hereby release and indemnify the Escrow Agent and hold it harmless from any and all claims, liabilities, losses, actions, suits or proceedings at law or in equity, or any other expense, fees or charges of any character or nature, which it may incur or with which it may be threatened by reason of its acting as Escrow Agent under this Agreement; and in connection therewith, does to the extent permitted by law indemnify the Escrow Agent against any and all expenses; including reasonable attorneys' fees and the cost of defending any action, suit or proceeding or resisting any claim.

(g) If Sublessee and Lessor shall be in disagreement about the interpretation of the Lease, or about the rights and obligations, or the propriety of any action contemplated by the Escrow Agent hereunder, the Escrow Agent may, but shall not be required to, file an appropriate civil action including an interpleader action to resolve the disagreement. The Escrow Agent shall be reimbursed by Sublessee for all costs, including reasonable attorneys' fees, in connection with such civil action, and shall be fully protected in suspending all or part of its activities under the Lease until a final judgment in such action is received.

(h) The Escrow Agent may consult with counsel of its own choice and shall have full and complete authorization and protection with the opinion of such counsel. The Escrow Agent shall otherwise not be liable for any mistakes of fact or errors of judgment, or for any acts or omissions of any kind unless caused by its willful misconduct.

(i) Sublessee shall reimburse the Escrow Agent for all reasonable costs and expenses, including those of the Escrow Agent's attorneys, agents and employees incurred for non-routine administration of the Escrow Account and the performance of the Escrow Agent's powers and duties hereunder in connection with any Event of Default under the Lease, any termination of the Lease due to an Event of Non-appropriation or in connection with any dispute between Lessor and Sublessee concerning the Escrow Account.

(j) The Escrow Agent or any successor may at any time resign by giving mailed notice to Sublessee and Lessor of its intention to resign and of the proposed date of resignation (the “Effective Date”), which shall be a date not less than 60 days after such notice is delivered to an express carrier, charges prepaid, unless an earlier resignation date and the appointment of a successor shall have been approved by the Sublessee and Lessor. After the Effective Date, the Escrow Agent shall be under no further obligation except to hold the Escrow Account in accordance with the terms of this Agreement, pending receipt of written instructions from Lessor regarding further disposition of the Escrow Account.

(k) The Escrow Agent shall have no responsibilities, obligations or duties other than those expressly set forth in this Agreement and no implied duties responsibilities or obligations shall be read into this Agreement.

2. Acquisition of Property.

(a) Acquisition Contracts. Sublessee will arrange for, supervise and provide for, or cause to be supervised and provided for, the acquisition of the Equipment, with moneys available in the Escrow Account. Sublessee represents the estimated costs of the Equipment are within the funds estimated to be available therefor, and Lessor makes no warranty or representation with respect thereto. Lessor shall have no liability under any of the acquisition or construction contracts. Sublessee shall obtain all necessary permits and approvals, if any, for the acquisition, equipping and installation of the Equipment, and the operation and maintenance thereof. Escrow Agent shall have no duty to monitor or enforce Sublessee’s compliance with the foregoing covenant.

(b) Authorized Escrow Account Disbursements. It is agreed as between Sublessee and Lessor that disbursements from the Escrow Account shall be made for the purpose of paying (including the reimbursement to Sublessee for advances from its own funds to accomplish the purposes hereinafter described) the cost of acquiring the Equipment.

(c) Requisition Procedure. No disbursement from the Escrow Account shall be made unless and until Lessor has approved such requisition. Prior to disbursement from the Escrow Account there shall be filed with the Escrow Agent a requisition for such payment in the form of Disbursement Request attached hereto as Schedule 1, stating each amount to be paid and the name of the person, firm or corporation to whom payment thereof is due. All disbursements shall be made by wire transfer. The Escrow Agent is authorized to obtain and rely on confirmation of such Disbursement Request and payment instructions by telephone call-back to the person or persons designated for verifying such requests on Exhibit A-2 (such person verifying the request shall be different than the person initiating the request). The Lessor and Sublessee hereby confirm that any call-back performed by Escrow Agent to verify a disbursement instruction pursuant to a Disbursement Request submitted pursuant to this Section 2(c) before release, shall be made to Lessor only and Escrow Agent shall have no obligation to call-back Sublessee.

Each such Disbursement Request shall be signed by an authorized representative of Sublessee (an “Authorized Representative”) and by Lessor, and shall be subject to the

following conditions, which Escrow Agent shall conclusively presume have been satisfied at such time as a requisition executed by Sublessee and Lessor is delivered to it:

1. Delivery to Lessor of an executed Disbursement Request in the form attached hereto as Schedule 1; and
2. Delivery to Lessor of copies of invoices (and proofs of payment of such invoices, if Sublessee seeks reimbursement) and bills of sale (if title to such Equipment has passed to Sublessee) therefor as required by Section 3.04 of the Lease and any additional documentation reasonably requested by Lessor.

Sublessee and Lessor agree that their execution of the form attached hereto as Schedule 1 and delivery of the executed form to Escrow Agent confirms that all of the requirements and conditions with respect to disbursements set forth in this Section 2 have been satisfied.

3. Deposit to Escrow Account. Upon satisfaction of the conditions specified in Section 3.04 of the Lease, Lessor will cause the Acquisition Amount to be deposited in the Escrow Account. Sublessee agrees to pay any costs with respect to the Equipment in excess of amounts available therefor in the Escrow Account.

4. Excessive Escrow Account. Upon receipt of written instructions from Lessor including a representation that one of the following conditions has been satisfied (upon which representation Escrow Agent shall conclusively rely), any funds remaining in the Escrow Account on or after the earlier of (a) the expiration of the Acquisition Period or (b) the date on which Sublessee executes an Acceptance Certificate, or upon a termination of the Escrow Account as otherwise provided herein, shall be distributed by the Escrow Agent to the Lessor in order for the Lessor to apply such funds to amounts owed by Sublessee under the Lease in accordance with Section 4.07 of the Lease.

5. Security Interest. The Escrow Agent and Sublessee acknowledge and agree that the Escrow Account and all proceeds thereof are being held by Escrow Agent for disbursement or return as set forth herein. Sublessee hereby grants to Lessor a first priority perfected security interest in the Escrow Account, and all proceeds thereof, and all investments made with any amounts in the Escrow Account. If the Escrow Account, or any part thereof, is converted to investments as set forth in this Agreement, such investments shall be made in the name of Escrow Agent and the Escrow Agent hereby agrees to hold such investments as bailee for Lessor so that Lessor is deemed to have possession of such investments for the purpose of perfecting its security interest.

6. Control of Escrow Account. In order to perfect Lessor's security interest by means of control in (i) the Escrow Account established hereunder, (ii) all securities entitlements, investment property and other financial assets now or hereafter credited to the Escrow Account, (iii) all of Sublessee's rights in respect of the Escrow Account, such securities entitlements, investment property and other financial assets, and (iv) all products, proceeds and revenues of and from any of the foregoing personal property (collectively, the "Collateral"), Lessor, Sublessee and Escrow Agent further agree as follows:

(a) All terms used in this Section 6 which are defined in the Commercial Code of the state of Utah (“Commercial Code”) but are not otherwise defined herein shall have the meanings assigned to such terms in the Commercial Code, as in effect on the date of this Agreement.

(b) Escrow Agent will comply with all entitlement orders originated by Lessor with respect to the Collateral, or any portion of the Collateral, without further consent by Sublessee.

(c) Provided that account investments shall be held in the name of the Escrow Agent, Escrow Agent hereby represents and warrants (a) that the records of Escrow Agent show that Sublessee is the sole owner of the Collateral, (b) that Escrow Agent has not been served with any notice of levy or received any notice of any security interest in or other claim to the Collateral, or any portion of the Collateral, other than Lessor’s claim pursuant to this Agreement, and (c) that Escrow Agent is not presently obligated to accept any entitlement order from any person with respect to the Collateral, except for entitlement orders that Escrow Agent is obligated to accept from Lessor under this Agreement and entitlement orders that Escrow Agent, subject to the provisions of paragraph (e) below, is obligated to accept from Sublessee.

(d) Without the prior written consent of Lessor, Escrow Agent will not enter into any agreement by which Escrow Agent agrees to comply with any entitlement order of any person other than Lessor or, subject to the provisions of paragraph (e) below, Sublessee, with respect to any portion or all of the Collateral. Escrow Agent shall promptly notify Lessor if any person requests Escrow Agent to enter into any such agreement or otherwise asserts or seeks to assert a lien, encumbrance or adverse claim against any portion or all of the Collateral.

(e) Except as otherwise provided in this paragraph (e) and subject to Section 1(b) hereof, Sublessee may effect sales, trades, transfers and exchanges of Collateral within the Escrow Account, but will not, without the prior written consent of Lessor, withdraw any Collateral from the Escrow Account. Escrow Agent acknowledges that Lessor reserves the right, by delivery of written notice to Escrow Agent, to prohibit Sublessee from effecting any withdrawals (including withdrawals of ordinary cash dividends and interest income), sales, trades, transfers or exchanges of any Collateral held in the Escrow Account. Further, Escrow Agent hereby agrees to comply with any and all written instructions delivered by Lessor to Escrow Agent (once it has had a reasonable opportunity to comply therewith) and has no obligation to, and will not, investigate the reason for any action taken by Lessor, the amount of any obligations of Sublessee to Lessor, the validity of any of Lessor’s claims against or agreements with Sublessee, the existence of any defaults under such agreements, or any other matter.

(f) Sublessee hereby irrevocably authorizes Escrow Agent to comply with all instructions and entitlement orders delivered by Lessor to Escrow Agent.

(g) Escrow Agent will not attempt to assert control, and does not claim and will not accept any security or other interest in, any part of the Collateral, and Escrow Agent will not exercise, enforce or attempt to enforce any right of setoff against the Collateral, or otherwise charge or deduct from the Collateral any amount whatsoever.

(h) Escrow Agent and Sublessee hereby agree that any property held in the Escrow Account shall be treated as a financial asset under such section of the Commercial Code as corresponds with Section 8-102 of the Uniform Commercial Code, notwithstanding any contrary provision of any other agreement to which Escrow Agent may be a party.

(i) Escrow Agent is hereby authorized and instructed, and hereby agrees, to send to Lessor at its address set forth in Section 8 below, concurrently with the sending thereof to Sublessee, duplicate copies of any and all monthly Escrow Account statements or reports issued or sent to Sublessee with respect to the Escrow Account.

7. Information Required Under USA PATRIOT ACT. The parties acknowledge that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to Federal regulations that became effective on October 1, 2003 (Section 326 of the USA PATRIOT Act) all financial institutions are required to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. The parties to this Agreement agree that they will provide to the Escrow Agent such information as it may request, from time to time, in order for the Escrow Agent to satisfy the requirements of the USA PATRIOT Act, including but not limited to the name, address, tax identification number and other information that will allow it to identify the individual or entity who is establishing the relationship or opening the account and may also ask for formation documents such as articles of incorporation or other identifying documents to be provided.

8. Miscellaneous. Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Lease. This Agreement may not be amended except in writing signed by all parties hereto. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original instrument and each shall have the force and effect of an original and all of which together constitute, and shall be deemed to constitute, one and the same instrument. Notices hereunder shall be made in writing and shall be deemed to have been duly given when personally delivered or when deposited in the mail, first class postage prepaid, or delivered to an express carrier, charges prepaid, or sent by facsimile with electronic confirmation, addressed to each party at its address below.

Notices and other communications hereunder may be delivered or furnished by electronic mail provided that any formal notice be attached to an email message in PDF format and provided further that any notice or other communication sent to an e-mail address shall be deemed received upon and only upon the sender's receipt of affirmative acknowledgement or receipt from the intended recipient. For purposes hereof no acknowledgement of receipt generated on an automated basis shall be deemed sufficient for any purpose hereunder or admissible as evidence of receipt.

WHEREAS, Sublessor has entered into the Lease to serve as a conduit to allow Sublessor to receive the

WHEREAS, Sublessor desires to sublease to Sublessee and Sublessee desires to sublease from Sublessor the Equipment; and

WHEREAS, Sublessor has received Lessor’s consent to this Sublease, set forth after the signature page to this Sublease.

NOW THEREFORE, for and in consideration of the mutual promises, covenants, agreements and conditions contained in this Sublease, the Parties agree as follows:

1. Definitions. Capitalized terms not otherwise define herein shall have the meaning as set forth in the Lease.
2. Representations and Agreements of Sublessee. Sublessee represents, warrants and covenants as follows:

(a) Sublessee is an entity created under the Interlocal Cooperation Act, Utah Code Ann. § 11-13-101 et seq. pursuant to the Revised and Restated Interlocal Cooperation Agreement, made December 1, 2019, between Sublessor various political subdivisions, with full power and authority to enter into this Sublease, the Escrow and Account Control Agreement, dated as of the Effective Date, between Banc of America Public Capital Corp (together with its successors and assigns, hereinafter referred to as “Lessor”), Sublessee and Bank of America, National Association, a national banking association organized

under the laws of the United States of America (hereinafter referred to as “Escrow Agent”), and the transactions contemplated thereby and to perform all of its obligations hereunder (the “Related Documents”).

(b) Sublessee has duly authorized the execution and delivery of the Related Documents by proper action of its governing body at a meeting duly called, regularly convened and attended throughout by the requisite quorum of the members thereof, or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of the Related Documents.

(c) Sublessee will do or cause to be done all things necessary to preserve and keep in full force and effect its existence.

(d) Sublessee has complied with such procurement and public bidding requirements as may be applicable to the Related Documents and the acquisition and installation by Sublessee of the Equipment as provided in each Lease.

(e) During the Lease Term of the Lease, the Equipment will be used by Sublessee only for the purpose of performing essential governmental or proprietary functions of Sublessee consistent with the permissible scope of Sublessee’s authority. Sublessee does not intend to sell or otherwise dispose of the Equipment or any interest therein prior to the last Rental Payment (including all Renewal Terms) scheduled to be paid under the Lease.

(f) Sublessee has kept, and throughout the Lease Term of the Lease shall keep, its books and records in accordance with generally accepted accounting principles and practices consistently applied, and shall deliver to Lessor (i) annual audited financial statements (including (1) a balance sheet, (2) statement of revenues, expenses and changes in fund balances for budget and actual, (3) statement of cash flows, and (4) footnotes, schedules and attachments to the financial statements) within two hundred seventy (270) days after the end of its fiscal year, (ii) such other financial statements and information as Lessor may reasonably request, and (iii) upon Lessor’s request, its annual budget for any prior or current fiscal year or for the following fiscal year when approved but not later than thirty (30) days prior to the end of its current fiscal year. The financial statements described in this subsection (f) shall be accompanied by an unqualified opinion of Sublessee’s independent auditor. Credit information relating to Sublessee may be disseminated among Lessor and any of its affiliates and any of their respective successors and assigns.

(g) Sublessee has an immediate need for the Equipment and expects to make immediate use of the Equipment. Sublessee’s need for the Equipment is not temporary and Sublessee does not expect the need for any item of the Equipment to diminish during the Lease Term.

(h) There is no pending litigation, tax claim, proceeding or dispute that may adversely affect Sublessee’s financial condition or impairs its ability to perform its obligations under the Related Documents. Sublessee will, at its expense, maintain its legal existence and do any further act and execute, acknowledge, deliver, file, register and record

any further documents Lessor may reasonably request in order to protect Lessor's first priority security interest in the Equipment and the Escrow Account and Lessor's rights and benefits under the Lease and Escrow Agreement.

(i) Sublessee (i) is the fee owner of the real estate where the Equipment is and will be located (the "*Real Property*") and has good and marketable title thereto, and there exists no mortgage, pledge, lien, security interest, charge or other encumbrance of any nature whatsoever on or with respect to such Real Property, or (ii) has sufficient possessory rights to the Real Property where the Equipment under the Lease is and will be located for the Lease Term and the legal documents providing such possessory rights does not allow for the encumbrance of such Equipment situated on such Real Property.

(j) No lease, rental agreement, lease-purchase agreement, payment agreement or contract for purchase to which Sublessee has been a party at any time has been terminated by Sublessee as a result of insufficient funds being appropriated in any fiscal year. No event has occurred which would constitute an event of default under any debt, revenue bond or obligation which Sublessee has issued during the past ten (10) years.

(k) Sublessee agrees that it will not take any action that would cause the interest component of Rental Payments under the Lease to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for Federal income tax purposes, nor will it omit to take or cause to be taken, in a timely manner, any action, which omission would cause the interest component of Rental Payments to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for Federal income tax purposes. In connection with the foregoing, Sublessee hereby agrees that (a) so long as any Rental Payments under a Lease remain unpaid, moneys on deposit in the Escrow Account under the Escrow Agreement shall not be used in a manner that will cause the Lease to be classified as an "arbitrage bond" within the meaning of Section 148(a) of the Code; and (b) Sublessee shall rebate, from funds legally available for the purpose, an amount equal to excess earnings on the Escrow Account under the Escrow Agreement to the Federal Government if required by, and in accordance with, Section 148(f) of the Code, and make the determinations and maintain the records required by the Code.

3. Subleased Equipment; Rent. Sublessor hereby subleases to Sublessee, and Sublessee hereby accepts and Subleases from Sublessor, the Equipment, subject to the terms and conditions of the Lease and the terms and conditions set forth in this Sublease. The rent payable under this Sublease by Sublessee shall be the Rental Payments payable under the Lease, as well as any other monetary payments required of Lessee under the Lease.

4. Non-Appropriation. Sublessee is obligated only to pay such Rental Payments under the Lease as may lawfully be made during Sublessee's then current fiscal year from funds budgeted and appropriated for that purpose. Should Sublessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments under the Lease following the then current Original Term or Renewal Term, the Lease and this Sublease shall be deemed terminated at the end of the then current Original Term or Renewal Term thereunder. Sublessee agrees to deliver notice to Lessor of such termination promptly after any decision to non-appropriate is made, but failure to give

such notice shall not extend the term beyond such Original Term or Renewal Term. If the Lease is terminated in accordance with Section 3.03 of the Lease and this Section 4, hereof, Sublessee agrees to cease use of the Equipment and peaceably remove and deliver to Lessor, at Sublessee's sole expense (from legally available funds), such Equipment to Lessor at the location(s) to be specified by Lessor on or before the end of the applicable Original Term or Renewal Term for which Rental Payments have been appropriated for the applicable Lease (each, a "*Non-Appropriation Return Date*"). Lessor may take whatever action at law or in equity as may be necessary or desirable to enforce Lessee's obligations in the immediately preceding sentence. Without limiting or reducing in any way Lessee's obligations in the second preceding sentence or Lessor's rights in the immediately preceding sentence, if the Lessee fails to return the Equipment to Lessor on or before the applicable Non-Appropriation Return Date pursuant to this Section 3.03, Lessee shall pay month-to-month rent at the Contract Rate (or the Taxable Rate if then in effect) set forth in the affected Lease for each month or part thereof that Lessee fails to return the Equipment thereunder pursuant to this Section 3.03

5. Use of Equipment. Sublessor hereby grants to Sublessee the right to use the Equipment for the provision of Emergency Services within and outside the Sublessee's jurisdictional boundaries as may be necessary or appropriate to protect the health, safety and welfare of the citizens and their property within, and visitors passing through, the Sublessee's jurisdictional boundaries and the citizens and their property outside the Sublessee's jurisdictional boundaries through such automatic or mutual aid agreements and/or other emergency services arrangements as Sublessee has entered into. The Equipment shall be used only for their intended purpose, and in a prudent manner in compliance with all requirements for their operation and maintenance, including as provided in the Lease.

6. Term of Sublease. The term of this Sublease shall commence on the Effective Date and shall end at such time as the Lease has expired or is terminated.

7. Conveyance of Equipment; Title; Security Interest. Notwithstanding any other provision contained herein to the contrary, at such time as the Sublessor's payment and other obligations under the Lease have been performed and paid in full, the Equipment shall be transferred to Sublessee and shall vest in Sublessee free and clear of this Sublease. Pursuant to Section 6.01 of the Lease, title in the Equipment shall reside in Sublessee so long as no Event of Default or Event of Non-appropriation exists under the Lease. As additional security for the payment and performance of all of Lessee's obligations under the Lease, upon the execution of this Sublease, Sublessee hereby grants to Lessor a first priority security interest constituting a first lien on (a) the Equipment subject to such Lease, (b) moneys and investments held from time to time in the Escrow Account, and (d) any and all proceeds of any of the foregoing, including, without limitation, insurance proceeds (collectively, the "*Collateral*"). Upon the execution of this Sublease, Sublessee authorizes Lessor to file such notices of assignment, chattel mortgages, financing statements and other documents, in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain Lessor's security interest in the Collateral, including, without limitation, such financing statements with respect to personal property and fixtures under Article 9 of the Uniform Commercial Code in effect in the State of Utah and treating such Article 9 as applicable to entities such as Sublessee.

8. Lease. Sublessee hereby represents that is has received a copy of the Lease and has read the Lease in its entirety and understands the provisions of the Lease. This Sublease shall be subject to, and shall be deemed to include all the terms, provisions, agreements, covenants and conditions of the Lease to the extent such terms, provisions, agreements, covenants and conditions relate to the Equipment, as if such terms, provisions, agreements, covenants and conditions were set forth in full in this Sublease. All of the terms, provisions, agreements, covenants and conditions that the Sublessor is obligated to perform, and with which it is required to comply under the Lease shall be binding upon and enforceable against the Sublessee during the term of this Sublease with respect to the Equipment. During the term of this Sublease, Sublessee covenants to perform all such obligations and otherwise comply with all requirements to which Sublessor is bound under the Lease. If for any reason Sublessee fails to perform its obligations under this Sublease, Sublessor shall have the right to perform those obligations and charge the cost of any such performance to Sublessee.

9. Relationship of the Parties Under Terms of Lease. The Parties intend, except as otherwise expressly provided in this Sublease, that the relationship between Sublessor and Sublessee shall be governed by the provisions of the Lease as though all references in the Lease to the term Lessor were substituted by the term Sublessor and all references to the term Lessee were substituted by the term Sublessee. So long as no Event of Default or Event of Non-appropriation has occurred or is continuing, Sublessee shall have the right to exercise all rights and remedies of the Lessee under the Lease.

10. Insurance. At its sole expense, Sublessee shall maintain all of the insurance required under Section 7.02 of the Lease. Sublessor shall be included as an additional insured with respect to liability insurance coverage set forth in Section 7.02, clause (b).

11. Assignment by Sublessee. Sublessee shall not assign or encumber this Sublease or further sublet, assign or encumber all or any portion of the Equipment without: (a) the Sublessor's prior written consent under this Sublease, and (b) the Lessor's prior written consent under the terms and provisions of the Lease. Sublessee acknowledges and accepts its obligation under Section 11.02 to compensate Sublessor for its cooperation as set forth therein.

12. Acquisition of the Equipment; Escrow Account. Sublessee shall be responsible for contracting with the Vendor, entering into the Vendor Agreements, and accepting delivery of the Equipment. The proceeds of the Lease shall pursuant to the terms of the Lease be deposited in the Escrow Account under the Escrow and Account Control Agreement, dated as of October 5, 2021 (the "Escrow Agreement"), by and among Lessor, Sublessee and Bank of America, National Association, as Escrow Agent, which Sublessee shall be a party, and Sublessee shall be responsible for preparation, execution and administration of the Disbursement Requests from the Escrow Account.

13. Default and Remedies. The terms of default set forth in the Lease also shall constitute a default under this Sublease and such provisions of the Lease are incorporated into and made a part of this Sublease. Without limiting the foregoing, any financial obligations assumed by the Sublessee under this Sublease, shall not be considered a multiple fiscal year obligation and shall be subject to annual appropriation by the Sublessee as set forth in Section 4, above.

14. Notice. All notices and demands under this Sublease shall be in accordance with the provisions of Section 13.01 of the Lease.

15. Additional Terms and Conditions. This Sublease shall be governed by and construed in accordance with the provisions of Section 13.06 of the Lease. Updated 9/8/2021

We do anticipate increasing costs as we develop our fuel budget, however this large increase in the first two months of FY 21/22 does cause us concern. We may be able to cover the additional fuel costs in our existing FY 21/22 budget by utilizing underspend or postponing projects such as apparatus pump testing or emergency generator testing. However, it will be likely that we cannot cover the full cost of this potential overrun within our logistics budget.

We will continue to closely monitor our monthly fuel costs and provide critical updates to the Board as we progress through the FY.

UNIFIED FIRE AUTHORITY

TO: Board of Directors
FROM: Dan Petersen, Fire Chief
SUBJECT: Fireworks Legislation – Utah Fire Chief issues
DATE: September 17, 2021

The Utah Fire Chiefs have identified several issues we would like to address during the upcoming legislative session. We held a meeting last week with Representative Dunnigan and Senator Iwamoto to discuss our desires. Representative Dunnigan will be establishing a group to review what he will be willing to place in his open bill file. It is important that this be discussed during the Board Meeting on the 21st to verify Board support for these items and also consider any additional issues the Board would like to see UFA engage in.

1. Allow a municipality or metro township to ban the discharge of fireworks within its boundaries via legislative action by its governing body.
 - a. Back up to #1: If a municipality or metro township is in extreme or exceptional drought in 2/3's of their municipalities geographical area, the governing body may restrict the use of fireworks via legislative action by its governing body. Information source: [NOAA and NIDS Dought.gov](#)
2. Expand the list of local areas/designations in 15A-5-202.5 in which the municipalities and metro townships may restrict fireworks due to certain physical or occupancy conditions (transient or dispersed campsites, etc...)
 - a. UFA Fire Marshal Brad Larson will further define “dispersed” or “transient” urban campsites that will allow for a GIS layer to be created for the restricted areas.
3. Require the map retailers are required to post of the restricted areas in the county to be at least 2'x3'and add the list of penalties related to illegal discharge along with all other required materials at all sale locations including brick and mortar stores.

Additional point of discussion

- Prohibit the sale of fireworks in firework discharge restricted areas, both brick and mortar stores and tents. Use the historical restriction boundaries from the previous year or years.

SUBJECT: Municipality Patch Design Update

Request

UFA is considering two general concepts for the patch and would like input from the Board.

Background

As part of the UFA strategic planning process, participants suggested a patch be created that reflected the cities and towns our crews serve. This would help give crews more of a “local” feel.

The specific city/town patch would be worn on the opposite side of the current UFA Patch and would be adhered to the uniform by Velcro, allowing for change when moving between stations.

The first idea was to place city logos over the top of the existing patch style, which includes the orange/yellow flames. The second idea is to make the patch more specific to each city and town’s branding, in order to make it more distinctive. Included are several examples of both.

There is no cost difference between the two options.
