 - Currently there is only one tanker prop in the state, therefore, training takes place once per year, having this will allow for unlimited training access for UFA crews
 - The tanker has been inspected and is fully operational as a training prop and can safely be move from Ogden
 - The value is \$5,500 and must be approved by the Board

7. Operations Report

- AC Dern presented the report from last month
 - There were 3,321 incidents last month, up 101 from last year
 - 242,196 YTD incidents
 - AC Dern clarified that Good Intent calls include those cancelled enroute, 451 this past month
- Incident Highlight
 - The crew of ML106 received recognition and a Fire Chief coin for outstanding work on a call in Millcreek
 - Captain Jared Wayman, Engineer Mike Swenson, PM Priscilla Nielsen, and FF Kayla Schafer
- Medical Division – DC Ayres
 - DC Ayres provided an update on what the Medical Division’s role at UFA is and current projects and work taking place
 - In addition to training all Operations personnel and maintaining licensure, they are responsible for maintaining medical protocols and managing controlled substances
 - The Medical Division is working closely with the SLCo Health Department to develop a referral program wherein crews help connect patients with the resources that SLCo has available
 - The Division is also working with the U of U Mobile Crisis Outreach Team (MCOT), to prevent mental health crises and connect individuals to additional resources

8. Fire Chief Report

- Behavioral Health Grant Update – AC Pilgrim
 - UFA was awarded \$275,000 from the state to improve our current program
 - Chief Burchett clarified that his direction was to ensure the program was sustainable once funding ended, and the process was not dependent on one person
 - A PT Behavioral Health Program Manager position was created to act as a liaison to the in-house clinician and to make referrals to resources outside of the organization
 - This was one of the biggest changes with the grant
 - The majority of the grant monies allowed for the hiring of an external Behavioral Health Consultant directed to improve and guide our current program
 - Peer Support member training takes place monthly
 - Evaluations conducted to ensuring that our program is on the right path
 - The consultant also acted as a support for our in-house clinician who originally had no wellness support himself
 - UFA now has one of the best fire agency programs in the state
 - Council Member Hull asked if there was ample funding to keep going
 - Chief Burchett clarified that we have enough trained peer support individuals to respond to stations when the crews feel they need support following an incident
- Entry Level Testing Update – HR Director Day
 - HR Director Day provided an update on the number of candidates who applied, signed up for the written exam, attended the exam, and are currently in the background portion
 - Chief Burchett noted that this year, at the request of the Labor Group, more individuals were interviewed

- 151 candidates, compared to between 80-90 the previous year, were interviewed
 - The number was a little too much, but did meet the intent of what Labor requested
- Clean for Dirty Turnout Program Update – DC Greensides
 - This program is the beginning of a culture shift resulting from the realization that dirty turnouts contribute to cancer
 - DC Greensides noted that some other departments have two sets of turnouts for each employee, however, this is expensive for UFA due to our size
 - Currently, new turnouts are stored at Logistics and delivered to the stations
 - A new vehicle is in the budget that can store 150 sets of gear for exchange ability on scene following an incident
 - Chief Burchett stressed that this culture shift from the badge-of-honor dirty gear to clean will result in a huge benefit in years to come
 - This program is at the core of his commitment to focus on employee health and wellness
 - Mayor Silvestrini agrees that this culture shift is a good thing
- International Association of Firefighters (IAFF) Fallen Firefighter Memorial Event
 - Chief Burchett, BC Aldridge, DC Prokopolis, and the Honor Guard and Pipes & Drum will be in attendance
 - This is an annual event honoring line of duty deaths and Chief Burchett is attending this year in honor of Captain Matt Hambleton who passed in 2023
