

Preliminary Summary Report of an Incident Within an Incident,  
Near Miss Event, Serious Accident, or Significant Injury

# BLUE SHEET

## Unified Fire Authority Blue Sheet

### MA109 MVA

6/10/2024

West Valley City

MA 109 and Civilian Vehicle

### SYNOPSIS

The following information is a preliminary summary of a motor vehicle accident that occurred while transporting a patient to the hospital. Because of the accident, five UFA personnel, one civilian, and the original patient were transported to hospitals for care and evaluation.

### NARRATIVE

On 6/10/24 at 1725, ML109 and MA109 were dispatched to a seizure patient near 4500 West and 4800 South. Due to the critical nature of the patient, the decision was made to transport with lights and siren. A total of four personnel were assisting in patient care in the back of the ambulance as they were transporting to Holy Cross Hospital – Jordan Valley West

As the ambulance was heading north through the intersection of 4100 South and 4000 West, it was hit broadside by a civilian passenger vehicle that was traveling east to west. From the accident, five UFA personnel, the patient from the civilian vehicle and the original patient were transported to the hospital with non-life-threatening injuries.

### RECOMMENDATIONS FOR REVIEW

Although there are no formal recommendations that are identified at this time, additional information and possible recommendations will be forthcoming in the Green Sheet.

Additionally, please review the two hyperlinked policies:

[UFA Policy 1200-020 Vehicle Accident Investigation Procedure](#)

[UFA Policy 1200-040 Safe Vehicle Operations](#)

The Blue Sheet is a brief summary report of any event that meets or exceeds a pre-determined threshold and is intended to provide factual information created within 24-hours and distributed to UFA personnel within 48-hours of the event. To that end, it is published and distributed to improve situational and safety awareness. Information contained within may be subject to revision as further investigation is conducted, and other reports and/or documents are received. A Blue Sheet may warrant a Safety Stand Down for dissemination of the information to assigned personnel.
