

UNIFIED FIRE AUTHORITY

MEMORANDUM

24-040

March 13, 2024

TO: All Personnel

FROM: Captain Simons

SUBJECT: Rover Bid Openings March 2024

Pursuant to the new Rover Bid policy #400-125, Rover bids are open once again for the next 6 months. The bids below in the table are open for bid. Rovers who took bids last period and do not desire a change do not need to bid. If you took a bid in September and do not want to change, you do not have to bid this time. Recruits who have recently completed probation, and any lateral hires who have been hired since September will need to take bids. Newly promoted specialists will need to take bids. Some positions have been assigned, if changes are desired, these may bid open positions as well. If you have a permanent station bid and want to give that up, you may bid a rover position. Cross platoon bidding is not allowed for Rover bids. Any bids that go unfilled will be reopened September 2024. For further questions, contact your Battalion Chief via the chain of command.

Reminder that even though some stations have three rover positions, a maximum of two rovers will be allowed to bid. These will be awarded by seniority, however, Engineers will be given priority at tiller stations over seniority rules. Specialty stations will not have Rover positions, members who are interested in assignments at those stations need to contact Chief Case to fill assignments. Rover bids for other stations will be reserved for stations with heavy apparatus and ambulances. If more positions are needed, engine only stations will be opened. To accomplish this, all rovers are encouraged to prioritize several rover positions to ensure one is received. If rovers are outbid and second or third choices are not selected, the staffing office will make assignments for you.

Rover Bids will close at 1400 hours on March 21, 2024.

If you do not take a rover bid, you will be assigned one.

Please review the video in LMS if you have questions on how to bid.

These are the open positions. Please also see the table below for current bids and for open bids.

STATION	PLATOON	POSITION
101	ABC	Firefighter
101	B	Paramedic
102	ABC	Firefighter
