

UNIFIED FIRE AUTHORITY

MEMORANDUM

24-110

August 5, 2024

TO: All Personnel

FROM: Assistant Chief Dern

SUBJECT: California EMAC Deployment Roster

An EMAC request to California for mobilization and crew swap is pending. On Saturday, August 3, 2024, a Telestaff alert was sent to all EMAC members requesting availability to be emailed to Chief Dern. After carefully considering and evaluating training opportunities, qualifications, and staffing, six employees have been selected to replace personnel currently assigned to the Park Fire near Chico California. Below is the deployment roster for this assignment, which meets minimum qualifications and optimizes training opportunities. Thank you to all personnel who replied with their availability.

- Utah State Representative Assistant Chief Riley Pilgrim
- TFLD Division Chief Anthony Widdison
- Type III Engine
 - Specialist/ENGB Geoffrey Whatcott
 - ENGB Trainee Captain Travis Hobbs
Firefighter Gabriel Ortez
 - Seasonal WL FF Spencer Howarth
