

# UNIFIED FIRE AUTHORITY

## MEMORANDUM

24-132

September 12, 2024

TO: All Personnel

FROM: Assistant Chief Dern

SUBJECT: California EMAC Deployment Roster

---

An EMAC request to California for mobilization is pending. On Wednesday, September 11, 2024, a Telestaff alert was sent to all EMAC members requesting availability to be emailed to Chief Dern. After carefully considering and evaluating training opportunities, qualifications, and staffing, two employees have been selected for this deployment.

Below is the deployment roster for this assignment, which meets minimum qualification needs and optimizes training opportunities. Thank you to all personnel who replied with their availability.

- TFLD Division Chief Anthony Widdison
- TFLD trainee Specialist Sam Nelson
