

UNIFIED FIRE AUTHORITY

MEMORANDUM

24-134

September 17, 2024

TO: All Personnel

FROM: Captain Simons

SUBJECT: September 2024 Rover Bids

Pursuant to the Rover Bid Policy (400-125), rover bids in the table below are open once again for the next 6 months. If you took a bid in March or earlier, and do not want to change, you do not have to bid this time. Any lateral hires who have been hired since March will need to take bids. Newly promoted specialists will need to take bids. The recruit class that was hired on February 1, 2024, will not be eligible for a Rover bid until March 2025.

Some positions have been assigned, if changes are desired, these may bid open positions as well. If you have a permanent station bid and want to give that up, you may bid a rover position. Cross platoon bidding is not allowed for Rover bids. Any bids that go unfilled will be reopened in March 2025. For further questions, contact your Battalion Chief via the chain of command.

Reminder that even though some stations have three rover positions, a maximum of two rovers will be allowed to bid. These will be awarded by seniority, except Engineers, who will be given priority at tiller stations over seniority rules. Specialty stations will not have Rover positions, members who are interested in assignments at those stations need to contact Captain Green. Rover bids for other stations will be limited to stations with heavy apparatus and ambulances. If more positions are needed, engine only stations will be opened. To accomplish this, all rovers are encouraged to prioritize several rover positions to ensure one is received. If rovers are outbid and second or third choices are not selected, the staffing office will make assignments for you.

Rover Bids will close at 1200 hours on September 23, 2024.

If you do not take a rover bid, you will be assigned one. Please review the instructional video in LMS if you have questions on how to bid.

These are the open positions. Please also see the table at the bottom of the document for current bids and for open bids.

| STATION | PLATOON | POSITION |
|---------|---------|-----------|
| 101 | ABC | Paramedic |
| 102 | ABC | Paramedic |
| 104 | BC | Paramedic |
| 106 | ABC | Paramedic |
