

UNIFIED FIRE AUTHORITY

MEMORANDUM

24-135

September 17, 2024

TO: All Personnel

FROM: Assistant Chief Pilgrim

SUBJECT: CANCELLATION - 2024 CenterPoint Professional Leadership Development

After reviewing the current level of interest and eligible participants, we have decided to postpone the 2024 Professional Leadership Development Cohort. This event was scheduled for October and November 2024.

The decision was made in conjunction with CenterPoint, as the cohort requires a minimum number to be facilitated effectively.

We apologize for the cancellation and will continue to identify and provide additional leadership opportunities that best fit the UFA.

If you have any questions, please contact AC Pilgrim.
