

UNIFIED FIRE AUTHORITY

MEMORANDUM

24-172

December 4, 2024

TO: All Personnel

FROM: EM Associate Director Ellis

SUBJECT: Salt Lake Regional IMT Class & Exercise Schedule

We have been continuing work to establish the Salt Lake Regional All-Hazards Incident Management Team (SLRIMT). We will begin utilizing the team starting this upcoming summer of 2025 to assist with large complex planned events and other unplanned incidents when requested.

We will be hosting the All-Hazards (AH), Incident Command System (ICS), and National Wildfire Coordinating Group (NWCG) classes listed below this winter/spring to build depth and capabilities within the team. We will also be facilitating a large multi-day exercise to help provide opportunities to work through position task books.

- L0960 – AH Division/Group Supervisor (Jan 6-8)
- ICS 300 (Jan 14-16)
- ICS 400 (Jan 21-22)
- L0962 – AH Planning Section Chief (Jan 27-30)
- L0952 – AH Public Information Officer (Feb 10-14)
- ICS 300 (Feb 18-20)
- S-359 – NWCG Medical Unit Leader (Feb 24-25) – Will be used until an AH specific class is available
- L0967 – AH Logistics Section Chief (March 3-7)
- ICS 400 (March 11-12)
- L0958 – AH Operations Section Chief (March 18-21)
- L0950 – AH Incident Command (dates TBD)
- Large two-day multi-operational period functional exercise (April 30-May 1)

The first few classes listed are already open for registration in [UTRAIN](#) and the rest will be within the next few weeks.

If you know anyone interested in being a member of the SLRIMT, who would like to receive communications regarding team participation, and have not already completed the registration form, please send them the following link: [SLRIMT member registration link](#).

Let me know if you have any questions.
