

# UNIFIED FIRE AUTHORITY

## MEMORANDUM

24-179

December 20, 2024

TO: All Personnel

FROM: Division Chief Ayres

SUBJECT: Holy Cross – West Valley Hospital Name Change

---

The hospital located at 3460 South 4155 West is now named **Holy Cross – West Valley**.

Because hospital name changes have state and federal reporting implications, we cannot change the hospital name in ESO until the State Bureau of EMS has updated their systems which may take some time.

The hospital name will remain “Holy Cross – Jordan Valley West” until the State database is updated at which point the ESO hospital name will be updated.

Please reach out to [Dan Biorge](#) with any questions about this hospital name change.
