MEMORANDUM

Date July 29, 2025

TO: All Personnel

FROM: Division Chief Prokopis

SUBJECT: Fire Training Specialist Selection

On behalf of the UFA Fire Training Division, I would like to announce that we have selected our new Fire Training Specialist. Congratulations to Paramedic/Specialist Matt Evans. He will be reporting to Fire Training immediately. This will allow some overlap to work with Specialist Garrett before he leaves for the JATC program and before Camp 60 starts on August 4, 2025. Our training staff looks forward to working with him in his new role.
