November 25, 2025

TO: All Personnel

FROM: Cliff Burningham, Uniform Committee Chair

SUBJECT: Uniform Vendor Price Increases 2025

---

Unified Fire has been notified of upcoming price increases from our uniform vendors. The uniform and textile industry is reacting to tariffs at the national and international levels. Currently, increases average 5-10% and are being passed through to our vendors by the uniform manufacturers. UFA personnel are encouraged to explore pricing and availability from all three vendors.

- LN Curtis Blue Line has indicated their price increases **will be effective as of December 1, 2025**. Those who wish to place orders before December 1st are encouraged to do so online at [LNCurtis.com](http://LNCurtis.com) or by phone at (801) 486-7285.
