

UNIFIED FIRE AUTHORITY

MEMORANDUM

26-057

April 13, 2026

TO: All UFA EMS Providers

FROM: Division Chief Ayres

SUBJECT: LMS NREMT Credential "Training that Applies"

We have removed the "Training That Applies" section from the NREMT credential in Target Solutions LMS. This change was made because the categories showing percent completion caused confusion, leading some users to believe no further action was required for their NREMT renewal.

All continuing education must still be entered into your individual NREMT account. Target Solutions does not automatically update your NREMT transcript.

To review your official progress, visit www.nremt.org and log in to **My Certification**.

If you have any questions about uploading, please contact Dan Biorge (dbiorge@unifiedfireut.gov) or Eric Holmes (eholmes@unifiedfireut.gov).
