

UNIFIED FIRE AUTHORITY

MEMORANDUM

26-130

July 16, 2026

TO: All Operations Personnel

FROM: Fire Marshal Watkins

SUBJECT: Operations Business Inspections-Updated LIV Access and Support

UFA is in Year Two of its two-year Operations Business Inspection cycle, with less than six months remaining. Operations personnel support community risk reduction by identifying fire and life-safety concerns and conducting consistent business inspections.

LIV accounts have been updated with the new UFA email addresses. Use the account assigned to your station or apparatus.

LIV Login:

Ambulance: MA101@unifiedfireut.gov

New Password for all LIV accounts: UFAinspections123!

Training and Support

All Operations Inspection training materials, instructional videos, and program information are available in **LMS under the Prevention tab**.

Area Fire Marshals are available to:

- Provide crew-level LIV and inspection training.
- Answer inspection or fire code questions.

- Shadow crews and provide hands-on support.
- Assist with complex deficiencies or unusual conditions.
