

UNIFIED FIRE AUTHORITY

Good evening, Everyone.

Staff Captain Paul Larsen is competing for the Special Enforcement Division Chief.

We are conducting a Promotional Leadership Survey on our internal candidates as part of the process. Your honest input is important to this individual and Chief Pilgrim as he makes his selection. This survey will provide them with helpful feedback and information to foster their professional development and help them be successful in the role if selected. In addition, the Leadership Promotional Survey intends to determine your willingness to follow the prospective candidate if promoted to a leadership role. The survey consists of four questions and a comment box. Please be constructive when providing your responses.

Your full name is required for the survey but will not be provided to the candidate or others. I am the only individual who will have access to your name. The candidate and selection team members will be provided with the responses received, but they will not be tied to any individual respondent.

Thank you for your time and participation. Please let me know if you have any questions.

Respectfully,

Kiley Day
