

Unified Fire Authority Complaint Record Form

Submitting a Complaint

Unified Fire Authority considers all complaints important. Complaints are documented on the "Complaint Record Form" and forwarded to the UFA Professional Standards Division for review and follow-up action. All complaints are handled in an impartial manner in compliance with federal, state and local laws and departmental policy.

The Reporting Party information provides an opportunity for the organization to follow-up, to verify information or ask additional questions should the original submission lack enough specifics. Download the form to your computer and fill in the required fields. Once you have completed the form, please email using the link below (complaint@unifiedfireut.gov) — or print this form and mail it to:
